		Non-food items (NFIs) have been dispatched, and the Assistant Commissioner Drosh will provide cooked meals to those affected. In response to the Glacial Lake Outburst Flood (GLOF) event in Upper Chitral, the District Administration Lower Chitral has implemented several precautionary and proactive measures to ensure the safety and swift	

Lower-Chitral	On 03-08-2024, at 1515 PST, a flash flood struck Shishikoh Kalas Village, causing substantial damage to residential homes and community infrastructure. As of the latest reports, there have been no reported casualties. A detailed assessment is scheduled to begin tomorrow to evaluate the full extent of the damage and determine the number of affected households. Preliminary figures are provided below:- **Fully Damaged Houses:** 05 **Partially Damaged Houses:** 03 **DWSS:** 03 **Irrigation Channels:** 05 **Road Infrastructure:** Multiple Locations	evacuation of communities in the red zone of the Chitral River within Lower Chitral jurisdiction: 1. **Shelter:** Instructions have been given to the District Education Officers (DEO), both male and female, to utilize schools as emergency shelters. School watchmen (chowkidars) are required to remain on the premises. 2. **Alerts:** Alerts have been issued through police stations, social media, local Masajid announcements, and village secretaries. These communications inform residents downstream of the Chitral River about the GLOF situation and advise them to stay vigilant and prepared to move to safer locations if necessary. 3. **Early Warning:** The Shochar Baranis Levy Check Post, situated at the border between Lower and Upper Chitral, has been instructed to provide immediate updates once the GLOF waters reach Lower Chitral. This early warning is crucial for initiating timely evacuation and response efforts in the vulnerable areas of Lower Chitral.	Deputy Commissioner Office Lower Chitral

Irfan s/o Abdur Rehman (6 years) 4. Abdur Rehman s/o Meer Abdul Rehman		Deputy Commissioner Office Tank
Upper-Chitral	According to the initial report, on 03-08-2024 at 1530 PST, a severe Glacial Lake Outburst Flood (GLOF) struck Boóni Gole Nullah. The flood destroyed a local wooden bridge, damaged a nearby power house, and impacted several irrigation channels in the area. No reports of damage to residential properties and casualties. The water level in the Nullah remains high, posing a continued risk of significant damage.	The District Administration has set up tent villages in Ghali Ground and Boys Degree College Booni, both considered safe locations. Residents near Booni Gole Nullah were evacuated on an emergency basis. Cooked meals have been provided to those affected. All relevant departments have been instructed to remain on high alert to prevent any further issues. The ADC (R&HR) visited THQ Hospital and Booni Medical Center, instructing staff to stay vigilant during the emergency. All line departments, including Rescue 1122, were present and actively involved during the event.	Deputy Commissioner Office Upper Chitral
	According to the initial report, on 03-08-2024 at 1630 PST, a Glacial Lake Outburst Flood (GLOF) occurred in Khora Gol and Badurandeh within Harchin Valley. The flood was triggered by a brief but intense period of heavy rainfall. Fortunately, the flood safely passed through the Canal, and there have been no reports of damage to property or loss of life.		Additional Deputy Commissioner (R&HR) Office Upper Chitral
